

Old Western Culture Highschool Transcript Information

20 March 2017

Since "Old Western Culture" is not a common term for a curriculum transcript, below is a table of possible labels for a student's transcript. Each year of Old Western Culture awards the student two credits (one from each column). The language below uses more common names for what the student covered for a given year of Old Western Culture and allows the student to credit his work to best fit his transcript.

<i>Old Western Culture Year</i>	<i>Credit Type</i>
